Foot Báll

In years past, Corunna High had championship teams, but the material grew lighter until all hopes of a foot ball team vanished. In the fall of 1915, however, attempts were made to organize a foot ball team. The team was very light and played only two games, being badly beaten in both attempts at playing. This so discouraged them that foot ball in Corunna High is now a thing of the past.

The Class of 1912 established the custom of issuing an annual Year Book, but due to financial difficulties few of the succeeding classes have been able to maintain the precedent which 1912 set for the Corunna High School.

The Class of 1917, however, because of the generous and much appreciated aid of the business men of the city, is able to publish a Year Book which it hopes will reflect creditably upon our High School.

In publishing this book we are endeavoring to place before our alumni and friends a picture of our School as it really is, by showing, along with the ideals which we are striving to reach, the happy and the serious phases of life in Old Corunna High.
