Teacher Retires After 43 Years

CORUNNA — After 43 years, Mrs. Evelyn Quick is retiring from teaching in the Corunna Public Schools system.

She is leaving a career which started in the Lemon School, a rural school still standing on the Garrison Road in Shuassee Township.

She was 18 years old with only a Corunna High School diploma and six weeks of summer school at Central State Teachers College, now Central Michigan University, when she started.

She had 20 pupils in grades one through eight. She tended the furnace which she says she knew nothing about, swept and scrubbed the floors, administered first aid and supervised play time.

Later, she earned a bachelor of science degree and Permanent Elementary Certificate from Central Michigan.

Forty of her 43 years have been spent in Corunna Schools or schools now annexed to Corunna. The last 10 have been in the second grade of Nellie Reed School. She also taught for 15 years at Eveleth School which is now the Administration Building on State Road.

Mrs. Quick says that she would not trade her rich experiences in the most rewarding and exciting way of making a living. She adds that if she had it to do over again, she would choose teaching for her life career.

She was born Evelyn Par-

donnet in Venice Township. She lives with her husband, Daniel, on a farm in Venice Township.

She plans on staying active in the North West Venice United Methodist Church and possibly doing some substitute teaching.

She was recently honored by her daughter, Mrs. Edwin Mumby of Corunna at a family dinner, by the Nellie Reed Staff at the home of Mrs. Don Olmsted, and by the Corunna Education Association at its annual spring banquet.

**Miss Gladys Riley, Graduate
of Corunna High School,
Accident Victim**

Miss Gladys Riley, 24 years old, a Detroit school teacher, who was born and reared in this county, and graduated from the Corunna high school, was instantly killed early Sunday morning in a collision between two cars. Ervin Buck, 22, of Lansing, Miss Riley's companion, sustained injuries from which he died nine hours later.

Charles D. Hanson and Jack O'Donovan, both of Lansing, who were also riding with Buck, sustained fractured skulls and are in a critical condition.

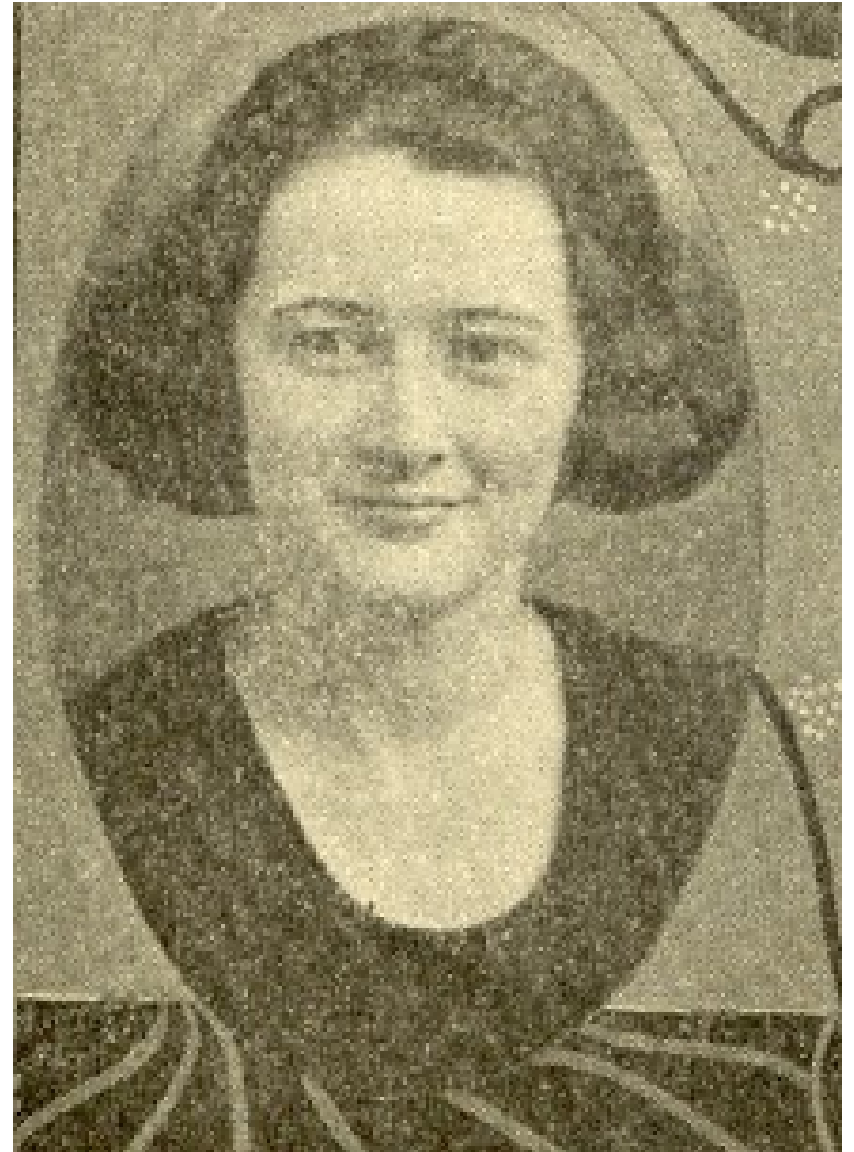

Miss Riley was killed when a car driven by David Byron, said to be a Detroit newspaperman, failed to stop for a stop street and crashed into the car driven by Buck, wrecking them both. No one, however, is held thus far in connection with the accident, which happened shortly after 3

ATHLETICS

FOOTBALL

For a number of years the H. S. had not put out a football team. So in the fall of '21 preparations were made to put out a winning team, and this season a very successful team was produced. The following season a team was organized and playing was started and some very hard practicing was done.

This year we had with us a new coach and he took up the work with us and helped us to form a team. Our material was not the heaviest but they were all fast so that made up for their lightness. The school furnished us new suits to play in and this helped us greatly.

We, as Seniors sincerely hope that the H. S. will continue to put out a team.

This was our schedule for the year and the results—

Byron 13—Corunna 10.

Corunna 2—Owosso 2nd 25.

Corunna 12—Flushing 0.

Corunna 12—Byron 7

Owosso 2nd 12—Corunna 7.

Flushing 0—Corunna 53.

Two from our class were in the squad this year, being Murdock, half back; and Hering, sub-guard.

Several players were back this season from last year's team, being, Stewart, Capt.; F. B. Murdock, H. B.; Brooks, L. T.; Sullivan, R. T.; Eveleth, L. G.; Morse, C.
