# Corunna High School History

Corunna High School has gained recognition and honor since the first graduating class of 1891 in which there were only two graduates. It has grown to be widely known for its part in sports and a variety of other events.

The school has been remodeled many times and is still in the process of being made a better place of learning. In the last few years, a new building has been added to accomodate the overflow of youngsters in the lower grades. This has helped a great deal. Some new improvement is added nearly every year, with the hope that some day, this present school can be used for either just the high school or the elementary grades with a new school erected not far from here.

The teachers on the faculty have come and gone, many of them to be remembered for a long time. At present there are twenty-two teachers on the faculty. Mr. Ralph Stull has been here since 1930, the longest of any of the teachers here in the Sr. High School. He has charge of the Commercial Department and is the principal of the school. Mr. Earl Lancaster, the superintendent, has charge of the Science studies and has been here since 1936. The high school has seven other teachers. They are Mrs. Ray Dennis who teaches music; Mrs. Wm. Jones, Home Making; Miss Alice Pearson, English; Mr. Wesley Jolliffe, Manual Arts; Mr. Holgar Andersen, Biology; Mr. Albert Kauffman, Social Studies; and Mr. Earl Mumby, Math.

In 1905, Miss Louise Peacock, one of the Juior High Teachers, started here in her teaching career. She is still teaching in Jr. High along with Mrs. Norma Cayler and Mrs. Mildred Spiker, who came here in 1947 and 1945, respectively. Miss Jean Martin has charge of the kindergarten; Mrs. Iva Kimble, the first grade; Miss Eileen Latimer, the second grade; Miss Elsa Meyer, the third grade; Mrs. Avis Heckmen, the fourth grade; Mrs. Mavina Mumby, the fifth grade; Mrs. Ruby Marietta, the sixth grade; with Mrs. Gladys Matthews teaching in the first and second grade over-flow room, with Mrs. Emily Gerlitz, the third and fourth grade over-flow room; and Mrs. Louise Yenik, the fifth and sixth over-flow grade room.

Every four years the Alumni of C. H. S. hold their alumni banquet. This is usually held at the Casino in Corunna and is widely attended. The next banquet is scheduled for 1950.

Mrs. Marie Yelinek, the school secretary, and Mrs. Dorothea E. Jones are graduates of Corunna High School.

And so Corunna High School has grown and is growing into a better place of learning.

## Message to the Seniors . . .

You have finished four years of high school. Let not your education be finished, for you are now beginning the tour of life's great highway. You have only commenced the tour by mounting the first stepping stone. As you step out from the direct influence of high school, you will surely find life's highway covered with many obstacles. These obstacles must be mounted one by one with a firm determination to forge ahead.

Many of you have labored faithfully to prepare for the future while others have thought of school as a concentration camp. It makes no difference to which class you belong, your principal wishes you all the success that is possible for each of you to achieve.

This world has made many great achievements, however, you will find that the world today is in greater need of brotherhood, tolerance, unselfishness and men and women of personal integrity.

Now as commencement time draws near, many ties are to be broken, many farewells to be said, this parting may not be pleasant, many of you may never meet again as you journey over life's great highway.

May each one of you find happiness and peace in life as you do your daily tasks.

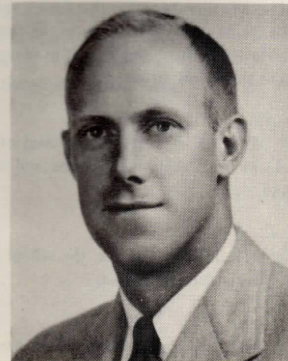

RALPH L. STULL,  
Principal

### To the Graduates:

Your four years' stay in high school has come to an end. Some of you will go to school and further your education while others of you will go to work and learn by experience. In either case, your educational processes and opportunities are far from ended as you will continue to learn as long as you live.

Here at Corunna we have tried to give you in addition to the three R's a few of the basic principals by which you must live in this great country of ours. We have tried to teach you that you must be punctual. We have tried to teach you that you must work hard to get the best out of any task which you are endeavoring to perform. We have tried to teach you most of all that in order for a group of people to succeed it is very necessary to work together and to give and take in the little problems that might arise between you. And, above all, play the game as we have played it so many times in the past—fair and hard—and most of the time you will be the winner.

## Senior Class History

In the school year of 1944-1945, a great event took place. Yes, that was when the present day senior class first took their place as freshmen in this, the Corunna high school. That first year we were a bit frightened of the upper classmen and to make it worse was the thought of initiation. Although this scared us half to death, we all survived the ordeal. The officers of our class that year were as follows: President, Dean Bowman; Vice President, Art Seabeneck; Secretary, Treasurer, Joan Coutts; Class Adviser, Mr. Stull. We had one party that year which was held at the Casino, in McCurdy Park.

During our sophomore year we lost Virginia Bushman, Doris Edwards, Ruth Fernet, Ella Heknein, Doris Nolph, Velma Rowell, Lois Tokey, Bert Chalke, Henry Dvorak, David Koterba, Louie Nasser, Thomas Quick, Bill Sprague, George Teets. We only gained one member: Gerald McKay.

During our sophomore year, being more assured of ourselves, we became more active in social functions. We had a hayride and party combined, sponsored the "Huba, Huba Hop" and sponsored another dance on the 29th of May. Our officers that year were: President, Wally Wetherbee; Vice President, Art Seabeneck; Secretary, Treasurer, Joan Coutts; Class Adviser, Mr. Bouck. In our Junior year, Mrs. Dennis was our adviser and the officers were as follows: President, Max Vibbert; Vice President, Joan Coutts; Secretary, Evelyn Deveraux; Treasurer, Bud Fattal. We gave two dances that year, sponsored the Junior-Senior Banquet and dramatized the play "Hobgoblin House" under the able direction of Mr. Kauffman.

When we Juniors the losses and gains were more even. We lost seven and gained three those who left were Barbara Lay, Helmer Boom, Norman Fouse, Henry Gasek, Ford Schooley, Rolph Tomlinson, and Gerald McKay. Additions to our class were: Joan Eva from Bennington, Mary Skinner and Kenneth Barlow returned from the navy.

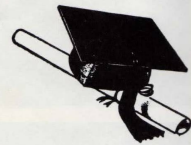

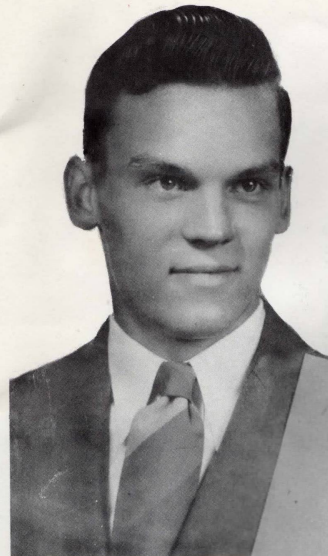

Classmates who left up as we became Seniors were Marjorie Kinney, Virginia May, Mary Miller, Mary Skinner, Helmer Bloom, Gobert Lowery, Louie Nasser, Ford Schooley, Clarence Spies, and Kenneth Barlow. The only new addition was Edward Allen from Lansing.

Our senior year has been an eventful one, full of work and excitement. We gave the play, "The Cambells Are Coming" directed by Mrs. Dennis, which turned out to be a huge success. We sold pop and hot dogs at the basketball games and gave dances after the games. We also sponsored a Donkey Basketball Game and sold magazines and class pins to raise money for our senior trip. Our trip was to Niagara Falls at which everyone had a swell time. We also had our Senior Prom on April 23rd. Our officers this year were: President, Melvin Fishell; Vice President, George Ruitmann; Secretary, Joan Coutts; Treasurer, Gene Brown; Class Advisor, Mr. Jolliffe.

## Junior - Senior Banquet 1947

A few weeks before the graduation of last years Senior Class, the present day Senior Class gave them a banquet at the Masonic Temple in Owosso. The theme chosen for the Banquet was that of a Gypsy.

Invitations were made in the shape of a cauldron in black with two yellow gypsy figures on the front. Place cards were made of the same design as the invitations but were quite a bit smaller. The four tables were cleverly decorated with gypsy figures and small miniature campfires. Golden colored candles also adorned the tables. The tables surrounded a life like campfire above which a huge cauldron was hanging.

The dinner was served under candle light and immediately after dinner was the following program:

Welcome to the Seniors .....	"Call of the Wild", Max Vibbert
Senior Response .....	"Heeding the Call", Jack Luke
Piano Solo .....	Joan Coutts
To the Faculty .....	"Wanderers", George Ruttman
Vocal Solo .....	"Little Gypsy Tea Room", Josephine Spariola
Poem .....	Joyce Sarrazin
To the Students .....	Mr. Lancaster

A dance followed this program.

## Class of 1949

Our Fresmen Class began in 1945 with forty-one bewildered students. As soon as we had become accustomed to the ways of the high school, and had been initiated by the Student Council, we elected Tom Amidon for our Class President; our Vice-President was Tom Kelly; Secretary, Herb Benford; Treasurer, Bob Peterson and our class adviser, Miss Carlson. We had three class parties.

In our sophomore year Gloria Bowman was President; Bill Striggow, Vice-President; Herb Benford, Secretary; Barbara Wetherbee, Treasurer; and our class adviser, Mr. Lancaster. This year we were successful in earning money by selling pencils, selling pop at games, and putting on dances. We put on two dances. The first one was a "Kum Join Us" dance and the last a "Bunny Hop". We gained two members this year: Delores Quick from Owosso High School, Thelma Leslie from Swartz Creek.

Now as experienced Juniors we have Gordon Serr as Class President; Vice President, Keith Ellis; Secretary, Herb Benford; Treasurer, Gloria Bowman, and our class adviser is Mr. Andersen. We gained one new member this year, Bill Mumby from Ashley.

This year we were successful earning money by selling gum, candy bars and ice cream bars at the home basketball games. At school on Monday, Wednesday, and Fridays we sold candy bars and gum. In May we presented a play called "Almost Summer", under the direction of Mr. Kauffman.

## Class of 1950

We are sophomores of Corunna High School and the Senior Class of 1950. Although our high school life so far has been rather short, it has been very happy.

During our freshmen year we had a very successful party, with a lot of laughs with our classmates and upper-classmen. We are very proud of the fact that we were not initiated when we were "Frosh". As we have been moving up year by year we have lost a few former classmates, some of these were: Dick Lyke, Bill Pelton, Alora Grant, Kathleen Kelly, Mark Palmer, Jean Runyen, Edith Yode, Sarren Bedell, Jack Carbwright, Keith Henstra, Norman Holly, Lavern Morel, William Moss and Tom Straza.

Our class officers for the first year were: President, Barbara Sidney; Vice-President, Gene Phillips; Secretary, Ellen Gay; Treasurer, Donna Francis; and Miss Carlson was our class adviser.

In the fall of 1947 all of us "green" freshmen became sophomores. We at once elected our class officers. Bob Schooley, became President; Donna Francis, Vice-President; Leila Perkins, Secretary and Laurae Ellis, Treasurer. Mr. Earl R. Lancaster was elected class adviser.

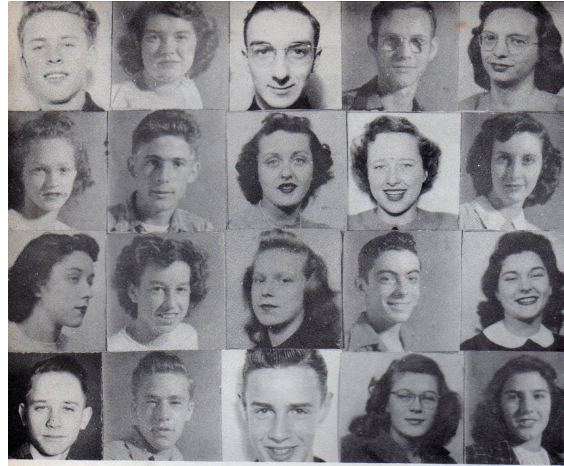

As "Sophs" we did not forget our social life because of study. The big event of the year was the "Swing with Spring", (dance to most of you). Owosso High School's Swing Band furnished the music and we had a swell time.

Even though we lost some of our class we gained other new faces. These who joined our class during the year are: Betty Harbaugh, Leila Perkins, Ronald Field, Dave Schwab and Bud Townsend.

We, the class of 1950, are now looking forward to the time when we will be juniors and then seniors and Alumni.

FRESHMEN CLASS OFFICERS—Seated, left to right: Joan Smith and Tom Kelly; Standing: Gloria Fattal, Mrs. Ada Marie Dennis-Adviser, and Gladys Self.

## Class of 1951

Coming into high school for our freshman year was a big step for the most of us. We were very green at first to the ways of high school kids but caught on very fast. We have really enjoyed ourselves thus far.

From the very beginning of the year our minds were filled with suspense about our initiation. We were finally given our instructions and the "Frosh" Initiation was on. It really was as bad as we had expected but Frosh-less speaking a good time was had by all. Next year's freshmen had better be on the lookout.

In October our class held its first social function. We held a Halloween dance at the casino. This dance was open to the whole school. Later in the year we had a hayride party for freshmen only. Being unable to use the Casino afterwards we went out to Gloria Fattal's house where all of us enjoyed some refreshments.

For class officers for the first year we elected Gloria Fattal as President; Tom Kelly, Vice-President; Joan Smith, Secretary; and Gladys Self, Treasurer. Mrs. Ada Marie Dennis did a swell job as class adviser.

And thus ended our freshman year. We sincerely hope that the next freshmen will have as wonderful a time their first year as we have had.

Of these ten members; four are seniors, there are juniors, two are sophomores, and one is a freshman. In the early part of each semester an election is held for representatives

and they in turn elect their own officers. Officers for the first semester were: Wally Wetherbee president; Gene Brown, vice-president; Joan Coutts, secretary; and Dorothy McLane, treasurer. The second semester, Wally and Dorothy were again elected for their respective posts with Art Seabeneck elected as vice-president and Gloria Bowman as treasurer. ## “The Campbells are Coming”

The Seniors presented the play, “The Campbells are Coming”, on November 20. Not a Scotch play, as the name might indicate, but a hilarious farce with hillbilly trimmings, describing the most effective technique for getting rid of an undesirable suitor. Kaye Brannigan (Joan Coutts) returns from a girl's school chuckfull of culture. Much to her family's disgust, she breaks with surdy, dependable Jeff Scudder (Gene Brown) and announces her engagement to a young snob, Kingston Campbell (Philip Coakes). Learning that Kingston's aristocratic mother, Mrs. Augusta Campbell (Betty Tinklepaugh) believes that the Brannigans are hillbillies and that Kingston and his mother are coming for a visit to find out the truth, the resourceful Brannigans disguise themselves as hillbillies and receive the guests during the absence of Kaye, who has hastened to a nearby city to purchase everything from caviar to tuxedos, in order to impress the Campbells.

The Brannigans appear barefoot, dressed in rags and carrying shotguns, frightening the Campbells half out of their wits by mistaking them for “revenooers”. One ritously funny situation follows another in rapid succession. An old hen lays an egg in Mrs. Campbell's ritzy hat. Jeff starts a feud with Kingston and chases him with a rifle. Mrs. Campbell faints and is accidentally revived from a jug of moonshine, under the influence of which she makes some startling revelations regarding her past life and identity. At last Kingston indignantly refuses to marry Kaye, and the Brannigans rejoice that their scheme has worked. Then, just as the Campbells are about to depart, in walks Kaye, wrathfully demanding explanations. How the Brannigans finally maneuver to put the Campbells to complete rout and Jeff turns cave-man in order to win Kaye—all this formed a laughing climax which no normal audience was able to resist.

The remaining roles include: feisty Grandma Brannigan (Dorothy McLane), who engineers the hoax; her grandson, Dick (Max Vibbert), who impersonates the family idiot; her granddaughter, Betty (Josephine Spaniola), wild and shy as a rabbit; her old flame, Cyrus Scudder (Melvin Fishell), who poses as Betty's venerable suitor, and two genuine hillbillies, Catalpa (Joyce Sarrazin), the aspiring servant girl, and her worthless old scamp of a father, Billdad Tap (George Ruttman).

The play was a great success.

## Cavaliers' Sports World

Corunna high school has produced many fine teams on the grid iron, the court, the diamond, and track. Our Cavaliers have won the Central "C" Conference four different times and tied with Durand in football once. In basketball we have won the conference trophy nine times. Last year was the first year of a conference Track meet and Corunna also holds the trophy in this event.

Corunna high school has had several good coaches on its faculty staff; the first of them was Adolph Vanzo, who was here from 1929 - 1936. Under Vanzo, our Cavaliers won the Central "C" Conference in basketball from 1931 on to 1937. Upon his resignation, George Mason coached for one year.

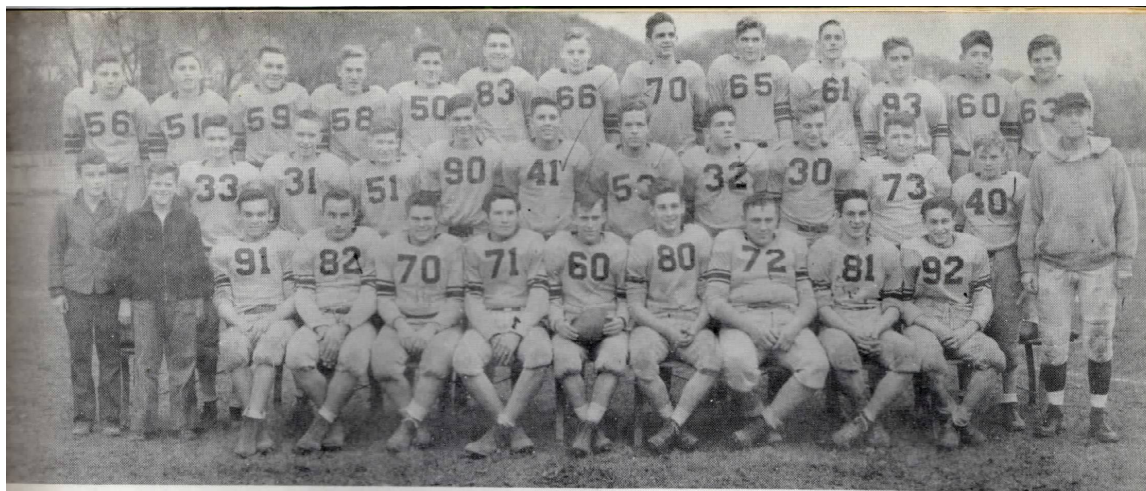

Harold Balmer was next coaching from 1937 to 1940. It was during Coach Balmer's career that Corunna won its first football title. It was also Harold Balmer who named the Corunna team, the "Cavaliers" It was suggested by him and okayed by the Varsity Club. Mac Vallear coached in 1941.

After Coach Vollear left, Marion Burgett took over from 1941 - 1943. Under his coaching the Cavaliers won the clear title to the Central "C" in football in 1942.

In 1943 Mr. Earl R. Lancaster (our present coach) took over and since 1944 Corunna has held the conference title in both football and basketball, except in 1946.

And so goes the history of Cavaliers in this world of sports. Many fine teams have come and gone and many more are in the unforeseen future.

Lyle Bouck was another coach here at Corunna high. He coached our track squad for 14 years. During that time he won two regional titles and his shot putter, Stanley Bocek set a state record which was held for five years.

We are all proud of the record that the 1947 Football team of Corunna High School. Guided by Coach Earl Lancaster, the team went through an undefeated season. The boys rang up a total of 307 points to the opponents 37. They also set a new record for the most points scored in one game, that being their 75-0 route over Durond. The team won the Central "C" Conference title, and laid claim to the Mich'gan Class C State Championship.

Dean Bowman, Bud Fattal, Bill Striggow, and Gordon Serr were placed on the All Conference Team. Bud Fattal was Captain elect.

## Basketball - 1948

The records of the Varsity basketball squad of 1947-1948 is very impressive. Out of 16 season games and 4 tournament games, our Cavaliers scored 729 points and our opponents only scored 615.

Our Cavaliers started out the season winning nine straight. Then we lost two in a row: to Chesaning and Michigan School for the Deaf, respectively. As we moved into the tournaments our record stood at fourteen wins and two losses. In the district tournaments the cavaliers put up a good fight and beat Durand, St. Charles, and Perry, in that order. By winning the district tournament we were qualified to play in the regionals. Elkton beat us the first night of the regional tournament, but they in turn were beaten the following night by a Flint school.

With the help of fine cooperation and sportsmanship among the players and spectators we were able, not only to win the district tournament, but we also won the Central "C" Conference. The seniors on the team were: Gene Brown, Bud Fattal, George Ruttman, and Max Vibbert.

The record is as follows:

## Editorial

Edward W. Allen  
Co-Editor

This year, as in previous years several hundreds, yes, even thousands of year books will be published by schools, colleges, and universities throughout the nation. Each annual represents great work and thought of the staff behind it, each staff hoping to improve upon the work of the staff of the preceding years.

An annual may be compared to a memorial building. They are very similar in many respects. Both are erected in memory of some person or to commemorate some great event. Annuals like the memorial building are built from material. The composition of a memorial is masonry stone, mortar, bricks, or other composition. In an annual we have the material from a school: the faculty, classes, activities, sports, or what have you. The third similarity is the builders: the building has architects, masons, and others; an annual has some contributors as its builders, but the big factor is the staff.

Of the staff, the architects and builders of the annual, the co-editors are the supervisors or chief architects in constructing this monument of school memories. On their shoulders rests the big task of designing the book. An almost as big a job lies on the shoulders of the advertising and sales managers, for they must make the annual a financial success. Each staff member is responsible for this division of the book. The different parts are taken and fitted together according to importance, resulting in a well constructed, enduring memories for coming years. If all staff members do their duty, the book is a success but if one lags, the annual is that much of a failure. Failure or not, we have been striving to do our best.

Many discouragements, as in other tasks we have previously undertaken, have risen in preparing this volume of the "SPHINX" yearbook. But, likewise there have been many encouraging features. Perhaps you have some criticism—there is no doubt but there is occasion for it—but be charitable. We are human and make mistakes, so forgive them if you can. Our purpose has been to make this volume a true and worthy representation of Corunna High School and if it is that, the work is a success. I wish to express my personal thanks to all who contributed to this memory book: every contributor, every member of the SPHINX staff, the faculty advisers, the photographer, the printers, the binders, and the advertisers.

## Memories

Betty M. Tinklepaugh  
Co-Editor

June! The arrival of this glorious month produces only one thought in the minds of students (and probably, if the truth were known, the teachers included). That thought—Freedom!—Vacation!—"No more pencils, no more books, no more teachers..." period. To the students, their vacation begins—to the parents, their vacation ends.

But what of the thirty-three Seniors of the dear old C. H. S.? They seem happy with their new found freedom, that is true, but in that cry of joy do we not detect a slight tinge of regret, a tiny whisper of sadness? It may be that in some that whisper is scarcely heard, but in others it is a mighty shout.

Thus with the end of our school career in sight we begin to review, not only for exams, but we begin to review our past experiences and recall the many incidents that took place during the time we spent attending C. H. S. While pausing a moment to take a retrospective of the years spent in the Corunna Public Schools, I am happy to recall that this year will make my thirteenth year of attendance, including kindergarten. Only those students who have attended here as long, or nearly as long, will share these same memories and will have the same sentimental feelings for our old school. It may not be the best school in the world, but to us it is the greatest and no other could take its place. Those students who have not had the good fortune to share this experience will never know of that "tinge of regret" which mingles with that surge of joy on vacation day.

Memory! As Noah Webster so ably put it, "memory is the faculty by which former experiences are recalled to or fixed in the mind," and the members of the Senior class and the remaining students of the C. H. S. readily agree with him now that they find the occasion to search their minds for those fond memories. Some memories are good and some bad; some happy and some sad—but they are precious memories just the same. In the future years we shall recall the good old days with their turns to play and study (even if we studied only once a week, whether we needed to or not), and the many faces of them whom we learned to like and call "real friends".

"Old friends"! What a multitude of varied and deep emotions are called up from the soul as we utter the words. What crowding memories fill our brain when they are spoken, memories both pleasant and sad. When reverie brings before us in quick succession old friends, old scenes are flashed before us, scenes familiar to us all. There come trooping memories of social occasions, for who can forget the play-ground days, the Freshmen Initiation, the class dances and parties, the Junior-Senior Banquets, the Senior Proms, the Senior trips, the football and basketball games, the class meetings, the Glee club and High School band, the Dramatics club, and the many other classes and events too vivid to be effaced from our minds?

But above all and probably the most important of all—we will never forget the many memories of our teachers. It seems to be the custom of some of the students to publicly declare their dislike for all teachers in general; to grumble at their tests and examinations; and to carry the false illusion that teachers are not human beings anyway. I hope that all teachers will understand that this is merely a "school-boy's protective armor" and that he is trying desperately to play the role of a hard-boiled know-it-all adult. Whether the students realize it now or come to realize it later in life, they will, sometime, appreciate the great part which the teacher played in their own lives and feel that they owe to those teachers a great debt of gratitude. Never will these teachers be excluded from our school memories. Neither can we forget the examples set before us in the lives of these teachers who have undertaken the duties and sacrifices always to be found in a small school of this kind. If it were only possible to give the reward due to them

That the Senior class of '48', or the remaining students of the C. H. S. shall never meet again as in the days of yore is painfully clear to all. We have only our memories to turn to in the future. I truly hope that in the distant days ahead this "SPHINX" shall be a helpful instrument in renewing the memories of my classmates. As a parting thought I say, "Let each and every one of us live such a life of purity and honor that whether rich or poor, the world can catch a glimpse of the sterling principle of our dear old C. H. S.

ton. We have to learn how to get along with each other.

Education, he pointed out, makes possible the settlement of disputes, both domestic and international, in an intelligent manner. It develops us mentally so that we can work out our problems amicably.

Still another danger spot seen by Linton was the fear of shouldering responsibility. He urged the graduates as citizens to do their part in preserving the government for the people. One of their greatest responsibilities will fall on them in the next election. Only as voters can the graduates be considered good citizens, added Linton.

In conclusion, Linton told the graduates to examine themselves to determine their own shortcomings and what they are best suited for. He urged them to make the choice. Don't let others dictate to you, pleaded Linton, for the opportunities in life are for you to grasp—alone.

## CORUNNA SOCIETY

### Church Wedding Unites Couple

Lighted white tapers in tall candelabra set amid baskets of June flowers and potted palms provided the altar setting for the marriage of Miss Phyllis Matthews to Rev. Frank I. Snavelly on Wednesday evening in the First Methodist Church.

She is the only daughter of Mr. and Mrs. Lloyd Matthews, Sr., and he is the older son of Mrs. Dorothy Mansfield, of Pittsburgh, Pa.

During the organ recital by Mrs. Henry Anderson prior to the rites at 6:30 o'clock the guests were seated by Lloyd and Lauren Matthews, brothers of the bride.

A college room-mate, Miss Margaret Boss, of Chattanooga, Tenn., was the nuptial soloist, singing "I Walk Beside Thee" and "At Dawning" before the march to the altar. She also sang "The Lord's Prayer" after the pronouncement of the vows.

Rev. Lloyd Blakesley, of Flint, a former pastor of the bride's, read the double ring service and was assisted by Rev. J. H. James, local pastor.

The bride chose for her matron of honor, Mrs. Kenneth Brown, of
