38th ACCOUNTING FACULTY DIRECTORY

Compiled by
James R. Hasselback
Clarion University
jrhasselback@gmail.com

The following is a listing of the Deans and Accounting Faculty over 1,000 schools for the academic year 2015-2016. It is compiled from information provided by the respective schools. Only that information received by May 27, 2015, is included in the Directory. The Canadian and other foreign schools follow the American schools in the school listing. This is the 42th year of the Directory.

The telephone area code is in parenthesis. The Fax number follows the area code in the first line for each school.

The years in the right-hand column of each school line are the AACSB Bachelors and Masters accreditation dates. The β indicates that the school has a Beta Alpha Psi chapter. Programs with Accounting accreditation are indicated by a 1, 2, or 3 in parenthesis.

1 - Bachelors with concentration in Accounting

2 - MBA with concentration in Accounting

3 - Masters of Accounting

The school's E-Mail address is in the second line below the area code. At the end of the second line are the programs and degrees with emphasis or concentration in Accounting.

The third line for a school includes the department phone number, school street address, and departmental secretary/administrative assistant.

The columns are as follows:

Name Rank School-Phone E-Mail Area Degree CIA CMA CPA Start

\$ next to a Dean or Chairman indicates "Acting"

& represents a CPA, CGA, or CA certificate

* represents a CMA or RIA certificate

represents a CIA certificate

For the Chairman, the title and rank are:

C Chairman

Prof or Pr Professor

H Head

Assoc or Ac Associate

D Director

Asst or As Assistant

The electronic-mail column includes the individual's address. The individual address must be combined with the school's electronic-mail address; for instance, jrhasselback@uwf.edu. When an individual address includes an "@", that individual has a different school address from the school address listed in the second line of the school and that school address is included in the third line of the school. The individual's complete electronic-mail address is included in the electronic-mail column. A + in a persons e-mail indicates a name too long to fit in the column. @a stands for aol.com; @h for hotmail.com; @y for yahoo.com; @g for gmail.com.

The degree column represents the highest earned degree or "all but dissertation," date received, and school. A period between the year and the school indicates that the individual has a doctorate with an Accounting concentration from a U.S. school.

The start column is for the first year of employment at that school.

The area column is for the person's teaching/research interests.

Individual teaching only Business Law are not included in the Accounting Directory.

Only four-year programs are included in this Directory.

Any mistakes in the Directory are my responsibility. However, some of the misinformation belongs to schools not providing complete information.

Any corrections, additional information, and new schools should be sent directly to me. If your school is not included, send me your listing in a format similar to that in the Directory.
